Nicole's Show July- Pot Luck

No High Point prize at the end of the show day for NAC classical
riders but instead End of Year Championship prize

WDAAZ- to donate High Point Prize for our June show, to encourage
Western Riders to participate even though it will not be a recognized
show for them. They will have the prize sitting on the sign in table
as incentive for high point of the day

Fundraising-

Beth presented a Fund Raiser letter to be sent to business and organizations who could become sponsors. Discussion on which businesses to be approached

It was discussed that the "Ask" for funds be personal.

Nicole to approach PAH

Beth talked to Ralene Paris sponsor "Masterson Method" Ralene asked if she could demo during lunch at the June 3rd show. Board agreed.

Beth talked with Jesse Fortin, saddle fitter for Custom Saddlery. We need to provide him with a table for the June 3 show.

ADA meeting was not attended in February. **ACTION-** Sherry to keep in touch with Tania

Trailer-We cannot get General Liability Insurance for the trailer and contents due to the association with equines. General feeling of the board is-the contents and the trailer are not worth insuring if there was a loss. Trailer to be moved to Nicole's place and in 6-12 months review if it stays or not. Beth obtained tags for trailer. Trailer currently at Randy Wagners property. We will work on moving it when the ground dries out a bit. Sherry has added the trailer to her policy to be able to move it. Beth stated that anyone who moves the trailer their insurance for their truck/car covers the trailer automatically.
