Lois Clinic

- It went well despite the rain.
- Our eventer, Nicole Howey was a trooper! She and Prince handled the downpour like pros.
- Cones need repair.
- Get correct size plastic bags for keeping the cones stacked.
- Do clinics "across the street?"

PayPal continues to be problematic

- People paying for events do not include enough information.
- Next email blast to include instructions to attendees PLEASE NOTE WHAT AND WHO YOUR PAYMENT IS FOR.
- Add to Website PLEASE NOTE WHAT AND WHO YOUR PAYMENT IS FOR.
- Some board members would like to discontinue use of PayPal. Too many participants use it. Not a good option.

Sept 17 Show

- Kirsten has lined up more volunteers than usual. List to be published soon. All the volunteers need to know what they are supposed to do and be where they are supposed to be for their entire shift. Be on time and do not leave early.
- Kathy Swanson volunteered to be the announcer for the day.
- Cliff Swanson to set up speaker system for our joint 9/17 dressage show. He may have a conflict with a clinic in CA. Kirsten to resolve.
- Pat/Sherry to ask a few people at AR if they could help.
- AR has said they will provide parking attendant.
- Put in newsletter and email BRING YOUR OWN READER.
- Closing date is 14 days ahead of show.
- WE WILL MEET FRIDAY AFTERNOON SEPTEMBER 16 AT 2:00 TO SET UP.

Clean the Trailer

- Friday, Aug. 26, start at 7:30 to 8:00, as schedules allow.
- Need a jack to lift the trailer. It broke the rock it was on has broken and the front has sunk.
- Need to throw away anything old, broken, not used.

Report on Kirsten and Sharon's meeting with WDAAZ Board

- Basically there will only be occasional collaboration, going forward.
- They do not want to do the June 2023 show with us.
- They agreed to do the September 2023 show with us and split the expenses 50/50. We keep the revenue from our riders, they keep the revenue for their riders.
- They are scheduling a May, 2023 Ride a Test at AR(?). They want NO help or participation from us. Would open it to Classical riders only if they do not have enough Western.

Miscellaneous

WE WILL MEET AGAIN ON SEPT 5 TO HANDLE LAST MINUTE DETAILS. PAT PLEASE SEE IF WE CAN GET THE ROOM FOR THAT DATE.

Meeting adjourned at 8:35.

**Respectfully submitted,
Sherry Nash**
